WORK HISTORY:

September 2014
To Present **AMERICAN EXPRESS, Newburgh, New York**
Captain on the Gulfstream 450/550/V.

April 2003
To September 2014 **FL AVIATION, Morristown, New Jersey**
Lead Captain on the Gulfstream 550 and Gulfstream IV, Lead and Training Captain on the Falcon 2000 and Captain on a Falcon 900 EX.
Responsible for training and evaluation of crew members on the Falcon 2000. Created the Checklist and originated the AOM for the Falcon 2000.
Team leader during ARGUS and Wyvern accreditation audits, resulting in Wyvern approval and ARGUS "Gold" status with automatic upgrade to "Platinum" after one year of part 135 operation.
Co-authored the company SMS manual. Represent Flight Operations on the Safety Committee. Member of the Crisis Action Team.
Regularly interviewed potential employees. Liaised with the FAA for LOAs and other issues. Assisted negotiations for a new training contract with Flight Safety. Oversaw all aspects of potential remote base placement, including airport selection, aircraft selection, hangar space acquisition, staffing and contract negotiations.

July 2000
To April 2003 **CONTINENTAL EXPRESS AIRLINES, Newark, New Jersey**
Performed duties as Part 121 First Officer on the EMB-145 and 135 aircraft.

January 2000
To July 2000 **AIRLINE TRANSPORT PROFESSIONALS, Dallas, Texas.**
Chief Flight Instructor for ATP applicants. Earned CFI/II and MEI instructor ratings. Managed 4 instructors, 10 full time students, at least 2 new ATP students per day and 4 aircraft. Trained and evaluated new instructors. Responsible for day to day operations, maintenance, flight schedule and training program.

August 1998
To November 1999 **ADVANCED STRIKE TRAINING, NAS Kingsville, Texas.**
Student Naval Aviator. Trained in T-45A, for advanced tactical jet aircraft employment. Planned and executed low-level attack, bombing, and 2 and 3 plane air-to-air combat missions. Awarded "E" for excellence in weapons delivery. Promoted to Captain.

January 1998
To August 1998 **INTERMEDIATE STRIKE TRAINING, NAS Meridian, Mississippi.**
Trained in T-2C Buckeye, intermediate strike trainer. Performed maneuvers in up to four plane formations, as well as air-to-air gunnery. Selected for follow on training in the T-45A.

April 1997
To January 1998

FLIGHT TRAINING, Vance AFB, Enid, Oklahoma.

Selected for Navy/Air Force exchange program. Received primary flight training in the T-37, including aerobatic, instrument and basic formation flight. Graduated first in selection class. Upon completion of Flight Training in September, assumed duties of Student Supervisor. Managed up to forty students at any given time.

October 1996
To April 1997

MARINE CORPS OFFICER SELECTION, Portsmouth, New Hampshire.

Assistant Selection Officer. Responsible for recruiting Officer Candidates. Developed innovative advertising campaign that was adopted throughout the Northeast region. Produced over 20 new contacts. Implemented and directed physical improvement program that resulted in an increased candidate acceptance rate.

January 1994
To May 1994

BAVARIAN MOTOR WORKS (BMW), Munich, Germany.

Co-op, Test Engineer. Member of a seven man team responsible for stress and fatigue testing of prototype engines and transmissions. Headed several projects overseeing machinists, technicians and contracted companies. Initiated multiple design changes by writing formal engineering reports in German.

EDUCATION:

May 2009
To May 2012

EMBRY-RIDDLE AERONAUTICAL UNIVERSITY, Online Campus

MBA in Aviation Management. Graduated with Distinction (4.0 GPA)

January 1996
To October 1996

THE BASIC SCHOOL, MCCDC, Quantico, Virginia.

Academic Honor Graduate. Graduated 1st of 244 Marine Corps officers in academics. Responsible for academic scheduling, class ranking, and remedial training for entire Company.

August 1991
To May 1995

WORCESTER POLYTECHNIC INSTITUTE, Worcester, Massachusetts.

Bachelor of Science, Mechanical Engineering.
